

Amit Chaturvedi

I am a Chemical Engineer from Indian IIT - BHU. After working for 2 years in NOCIL, I joined Reliance Industries in 1992 as a Process Engineer.

After a three year stint in Process and Project Engineering, I moved to business. In more than 31 years of my experience of working with Petrochemical Industry, I have worked in Manufacturing, Projects, Feed Sourcing, Business, Supply Chain and M&A.

I am currently working as “Head – SCM, Petrochemicals” with Reliance Industries.
